

Sorry, but I can't in earnest support Jaimie Foxx in his racist show of power. I don't Think Dr. Martin Luther King had reverse racism in mind when he marched for civil rights.

Please correct me if I'm wrong but didn't Dr. King want equality for all people? People like Mr. Foxx are the problem not the solution! No, Dr. King would not be pleased!

Here I am stuck in the middle again, being Creole. As I see it, until all men are truly equal Creoles just turn from being called "yellow nigas" to "yellow honkies". Were is the benefit in that?

Jamie Foxx is a truly gifted performer, as such, he could do wonderful things for race relations. Instead he sticks to the same old lame racist way of thinking. I don't want to see a show full of blacks. I want to see a show full of talented performers, regardless of their skin color. Jaimie Foxx might as well be Lester Maddox or George Wallace, as far as I'm concerned.
