

A night-time photograph of the Space Needle in Seattle, Washington. The tower is illuminated with green lights at the top and yellow lights along its structure. The background shows a city skyline with various skyscrapers lit up with yellow and white lights against a dark blue sky.

Seattle Speaks Out

Seattle WA

Thank you for the information and history of Rosette Rochon. She was the sister of my original ancestor, Charlotte Rochon, whose son Narcisse Boisdoré Rochon was my grandfather's great grandfather. My mother, daughter of Antony Rochon, of Honoré Rochon of François Rochon of Narcisse, will be excited to read of her from your website. Thank you very much. We are forever grateful.
